KNOW BEFORE YOU GO...

Only you know the swimming skill level of your child or those under your supervision. Children under age 12 should be accompanied by a responsible adult at all times. Children 12 and over should be supervised by an adult familiar with the child's swimming ability, in order to determine whether an attraction is suitable for that child. We strongly recommend guests under 48" tall, or those who are weak or non-swimmers, wear a Coast Guard approved life jacket where appropriate. Life jackets are available within the park (at no charge), and are required in Thunder Bay Wave Pool and Shipwreck Cove for anyone under 48" in height, regardless of swimming ability.

- For everyone's safety and security, all bags and containers are subject to search.
- No outside food, beverages or coolers permitted in park. Picnic facilities are available outside the main gate.
- Children in diapers are required to wear a swim diaper in all pools and rides. Swim diapers are available for purchase at the Gift Shop.
- Proper swimwear must be worn on all rides and attractions. No street clothes and no bathing attire with buckles, belts, rivets, metal or cut-off jeans permitted. For guest safety, no masks, snorkels or swim fins please.
- This is a smoke-free environment. Please limit smoking to designated areas only.
- Height and weight restrictions apply on certain rides.
- Please observe each ride and read all posted rules before participating.
- Lockers and private cabanas available for rental within the park.
- Stroller and wheelchair rental available at Thunderbay Outfitters (first come, first served).
- Picnic storage area located outside main gate (fee charged).
- ATM located in the park.
- Wet 'n Wild Emerald Pointe is Virginia Graeme Baker Act compliant.
- Prices subject to change without notice.
