ACCESSIBILITY & SENSORY GUIDE

OVERVIEW

OVERVIEW

AMENITIES

ATTRACTIONS

DINE

OVERVIEW

At Wet 'n Wild, we are committed to providing the finest family fun and entertainment. This means we want all our Guests to have a safe and enjoyable visit. If you have any questions, stop by Guest Services located at the Main Gate. They should be able to answer any questions and help you with any accommodation you may require during your visit. This guide will provide you with information to help plan your day.

TRAINED STAFF

Wet 'n Wild Team Members receive specialized training to ensure they have the required knowledge, skills, temperament, and expertise to cater to all children, including those with special needs. Training focuses include:

- Sensory Awareness
- Motor Skills
- Autism Overview
- Social Skills
- Communication
- Environment
- Emotional Awareness

POSSIBLE CLOSURES

Some attractions, rides, amenities and dining outlets may not be available on any given day for a variety of reasons, such as maintenance procedures or updates. Closures may be for part of a day, for an entire day or for multiple days depending on the situation. We apologize if anything is not available during your visit and appreciate your understanding.

AMENITIES

OVERVIEW

AMENITIES

ATTRACTIONS

DINE

AMENITIES

AMERICAN SIGN LANGUAGE INTERPRETERS

In compliance with the Americans with Disabilities Act (ADA), Wet 'n Wild will provide ASL interpreters for deaf patrons. Those in need of an interpreter are requested to give Wet 'n Wild at least two weeks' notice in advance of a planned visit to the park. Call 336.852.9721 EXT. 195

CHANGING STATIONS/RESTROOMS

Diaper changing stations for small children are located in all restrooms and Happy Harbor. First Aid also has a restroom available for family changing and additional needs. ADA restroom stalls are located in Davey Jones Locker Room, Upper Kiosk, and First Aid.

DINING

Guests needing a less stimulating dining atmosphere are encouraged to visit Wet 'n Wild eateries during non-traditional mealtimes.

EMERGENCY PLAN

Discuss ahead of time what to do if someone gets separated from your group. Guest Services, located at the Main Gate, or the Flag Pole are great meeting places. Take note as to what your children are wearing in case you need to describe them to a Wet 'n Wild Team Member. Lost children should be told to ask for assistance from a Wet 'n Wild Uniformed Employee. When our Team Members find a lost child, that child is taken to Guest Services.

FIRST AID

In case a need for medical help arises, First Aid is located next to Captain Eli's and The Edge. Refrigeration for essential medicine is available on a limited basis. In an emergency, please contact any park Team Member or Security Officer.

OVERVIEW

AMENITIES

ATTRACTIONS

DINE

FOOD ALLERGIES

We care deeply about our Guests' enjoyment and health. However, we cannot guarantee that our food items are free of allergens such as trace amounts of nuts, wheat, dairy, egg, soy, fish/shellfish or sesame seeds. Wet 'n Wild does not use peanut oil for the cooking/frying of any food products. Please visit Guest Services and request to speak with a Food & Beverage Manager during your visit with questions or concerns.

GIFT SHOPS/SPECIAL EVENTS

All gift shops and special events are wheelchair accessible.

INFANT CARE

First Aid provides a quiet area to feed and nurse young children. Diaper changing stations for small children are located in all restrooms and Happy Harbor. Children age 2 and under get into Wet 'n Wild free of charge and do not need a ticket or a Season Pass.

WET 'N WILD CABANAS

Cabanas allow a private, less stimulating environment for guests who wish to escape from the bustle of the park. They may be rented online or at the rental building near the Main Gate. Cabanas are conveniently located throughout the park and offer mobile ordering. Cabanas are available in various sizes to accommodate your family's needs. We recommend reserving your cabana well in advance of your anticipated visit. Wave Pool cabanas are wheel chair accessible.

LOST AND FOUND

If you have lost a personal item during your visit, please visit Guest Services at the Main Gate to report the issue. Lost and Found opens at 10:00 am and can be reached at (336) 852-9721 ext. 111. NOTE: If your item is lost during the operation of a ride, the ride will not be shut down during operating hours for item retrieval. You must report the issue to Guest Services and call to check the status of your item the next day.

LOST GUESTS

If a child or individual with a disability is separated from your group, stop any Park Security Officer or go to Guest Services at the Main Gate. Guest Services will take down your information and phone number, and a staff member or officer will stay with the individual. Upon request, we will also provide a matching wristband with a number for yourself and for the other members of your party. Please request at check-in or anytime during your visit.

OVERVIEW

AMENITIES

ATTRACTIONS

DINE

PARKING

Wet 'n Wild has both paid VIP and general parking. Accessible parking is also available with approved placard. There is a fee for general parking.

PARK TERRAIN

Wet 'n Wild has some steep grades and stairs. Please watch for blue ADA signs to alert you to ADA accessible grades. Please take care or go around these sections.

PERSONAL CARE ASSISTANT

The cost of admission to Wet 'n Wild will be waived for a government-funded or privately paid Personal Care Assistant (PCA) whose attendance is required to enable a Guest with severe disabilities to enjoy a day visiting the park. The ticket should be secured in advance of your visit. Any request to waive admission for the PCA must be made in advance to the Operations Manager or Manager on Duty. The PCA shall not participate in any services/attractions separate from the individual requiring their services.

QUIET AREAS

Guests in need of a quiet place are welcome to exit the park and visit their vehicle. Our re-entry policy allows for guests to take a break from their activities and return at their leisure.

RIDE ACCESSIBILITY PROGRAM

This guide offers information to help those with disabilities make the most of their visit to Wet 'n Wild by rating each ride's intensity. Our staff at Guest Services can provide information for each Guest seeking accommodations based on their individual abilities, ride dynamics, and manufacturer requirements to determine what rides they can safely enjoy.

OVERVIEW

AMENITIES

ATTRACTIONS

DINE

UTILIZING THE RIDE ACCESSIBILITY PROGRAM

In advance of your park visit, we recommend registering for your required IBCCES Accessibility Card. Guests with physical disabilities, mobility impairments and/or cognitive disorders who would like to participate in the Ride Accessibility Program must present a valid IBCCES Accessibility Card at the Rental Building inside the park. Guests can register for an IBCCES Accessibility card at www.accessibilitycard.org. Once a guest has filled out the online application and uploaded necessary documentation, they will be able to access their digital IBCCES Accessibility Card.

PLEASE NOTE: Only IBCCES can issue the IBCCES Accessibility Card and NOT Wet 'n Wild. IBCCES will conduct audits to confirm the efficacy of provided information for the IBCCES Accessibility Card application.

RIDE ACCESSIBILITY PROGRAM OVERVIEW

Once a guest is enrolled in the Ride Accessibility Program, please visit the Rental Building so that we may help accommodate your needs. **Please note:** the Ride Accessibility Program is good for the individual that receives the Ride Admission Pass and two (2) additional guests. The individual with the pass must ride for the pass to be valid.

SERVICE ANIMALS

Service Animals are welcome; however, they are limited to dogs and miniature ponies that have been trained to do work or perform a task for the benefit of the individual with the disability. Service Animals must remain on a leash or harness and be under the control of their handler. If at any time a Service Animal is out of control, they will be asked to be removed from the park. Service Animals are not permitted to enter any attraction, including any body of water. While the Service Animal is waiting for their handler to ride any attraction, a Guest must remain with them.

Service Animal Relief Area

Indicated by a sign near the fence. Not wheel chair accessible.

WHEELCHAIRS AND STROLLERS

A limited number of wheelchairs and strollers are available on a first come, first served basis, and can be rented at the Cabana Rental Building. Chair lifts are available at Shipwreck Cove and Leisure Lagoon. Attractions with zero-depth entry include Lazy River, Soak Zone, and Volcano Bay.

ATTRACTIONS

Basic Ride Information:

- Each Guest must have the ability to maintain proper riding position at all times.
- Guests with conditions such as pregnancy, back, neck, or bone problems, cardiovascular problems, high blood pressure, recent surgery, or other health conditions that could be aggravated by bumping or jarring are not permitted to ride all rides. Please read all safety signs at the rides prior to riding.
- Casts and Braces: Due to the design of certain ride vehicles and restraint systems, guests may have difficulty fitting into some rides. If you are wearing a cast or brace, please stop at Guest Services to get a list of attractions you can ride. Note: there are no restrictions for arm casts below the elbow.
- Prosthetic Devices: Guests wearing prosthetic devices will be permitted to ride as long as the device is securely attached, remaining in place throughout the ride, and does not pose a puncture hazard to tubes and/or slides.
